President's Message

Dear Innerwheel friends,

Our projects have been featured in FB page of Association of Innerwheel club, India. Let us continue our good work with same enthusiasm. I wish all of you Happy New Year and all the best for your future endeavors.

Thank you.

Editorial

Its 6 months since the team has taken up the challenge to 'Work Wonders.' We never predicted that we could reach out to so many people and bring a change in their lives. Surely it has changed our out look to so many things. The new year brings 'New Hopes New Visions New Dreams'. In the next 6 months I hope we can cross many more bridges and work with more commitment and celebrate the joy of having a better brighter tomorrow as we hand over the baton to the next team

TRIBUTE

Our tributes to our Senior most member Madam Kamalamma Udupikar 104 years who attained the Lotus Feet of the Lord in the early hours of 24th December.

May her soul get sadgati.
God give strength to all the family members to go through this difficult time.

Om Shanti.

Amazing Magnificent Magnanimously Affectionate - Kamalamma Udupikar

Our senior most member, a centenarian, AMMA to all the Inner Wheel Sisters not only in our club but all over is now a twinkling star in the vast sky. She left this world to the place where she belongs after living a worthy life on 24th December 2022..

The time spent with her will be cherished for years to come. We had amazing times when we had our monthly meetings hosted by her. She would welcome each one of us with a genuine affectionate hug at the door step and personally saw that we were comfortable, would meet all our individual needs. She was a friend, philosopher and guide. She would be extremely excited that we had assembled, entertain us with Yakshagana steps and her humorous pep talks. Her hospitality was incredible and tongue tickling food spread would be planned and made by her personally.

She would be seated on the first row during all our cultural events, enjoy every show put up and never missed to appreciate what we had done. An ardent lover of our culture, she would love it when we followed it whether in dress, dance or any other thing.

Amma, we will always remain grateful for your blessings, advice and fondness. We are sure you will continue to guide and keep us under your protective wings from where ever you are.
