Chairman's Message

My Dear Friends in Inner Wheel,

Greetings & good wishes to all of you !!

“EXPERIENCE is not what happens to you. It’s what you do with what happens to you”

Friends, It’s only when we take up some responsibility, we discover how powerful we truly are!!

I am enjoying my responsibility, also discovering myself. Let’s have a Goal, accept responsibility and take action. All of us have already embraced new beginning with courage & faith. Also experiencing that the Change brings wisdom to the heart and soul.

I am really happy about the projects executed by all the clubs. All the clubs are doing very useful projects. A little help & A little kindness, its not much, but helps others and goes farther than you think.

I saw an interesting article on IIW President’s newsletter shared by IIW Vice president Mrs. Zenaida Farcon. It’s a real good message, which i want to share with you all.

Are you familiar with the movie “Pay It Forward?”

In this movie, a young boy named Trevor was given an assignment by his social studies teacher. The assignment was to put into action a plan that will change the world for the better. Trevor then came up with the “pay it forward” movement, which is like networking of good deeds. Here is how Trevor’s “Pay It Forward” movement works:

when a person receives a favor, instead of paying it back, he does a favor for three other people, with the hope that those people will pay for it forward as well.

The concept of paying it forward is actually very simple. “if you can't pay it back, pay it forward”. Think of it as passing on a gift that you have received from someone. The gift that you passed on, will then be passed on to more and more people. **This is because when you are kind to someone, you inspire them to become kind as well. This single act of showing kindness to one person can create a ripple effect—it can give birth to a series of acts of generosity.** I am sure you all will like this. So let's follow kindness because Kindness is the most important tool to spread love among humanity.

ಪ್ರೀತಿಯ ಗೆಲತಿಯರೆ ,
ಮಹಿಲೆಯರ ಮತ್ತು ಹೆಣ್ಣುಮಕ್ಕಳ ವಿದ್ಯಾಭ್ಯಾಸ, ಅರೋಗ್ಯ, ಶುಚಿತ್ವ, ಸ್ವಾವಲಂಬನೆಗಾಗಿ ಹೆಚ್ಚು ಯೋಜನೆಗಳನ್ನು ರೂಪಿಸಿ. ಏಕೆಂದರೆ, ಸ್ವಾವಲಂಬಿ ಮಹಿಲೆ ಇಡೀ ಜಗತ್ತನ್ನೇ ಬದಲಾಯಿಸಬಲ್ಲಳು.

ಪ್ರತಿಯೊಂದು ಕ್ಲಬ್ಬಿನಿಂದ ಕನಿಷ್ಠ ೧೦ ಸಂಸಾರಕ್ಕೆ ಸಹಾಯವಾದರೆ, ಮುಂದೆ ಅವರ ಮಕ್ಕಳ ಭವಿಷ್ಯ ಗಟ್ಟಿಯಾಗಿ ನೆಲೆಯೂರಲು ಸಹಾಯವಾದಂತಾಗುತ್ತದೆ. ಹಾಗೆ ಅವರಿಂದ ಮತ್ತಷ್ಟು ಮಗದಷ್ಟು ಜನರಿಗೆ ಪ್ರಯೋಜನವಾಗುವುದರಲ್ಲಿ ಸಂದೇಹವಿಲ್ಲ. ಆದ್ಯತೆಯ ಮೇರೆಗೆ ಯೋಜನೆಗಳನ್ನು ತೆಗೆದುಕೊಳ್ಳಲು ನಿಮ್ಮೆಲ್ಲರಲ್ಲಿ ನನ್ನ ಮನವಿ.

Friends,

Be a hand that reaches out,.

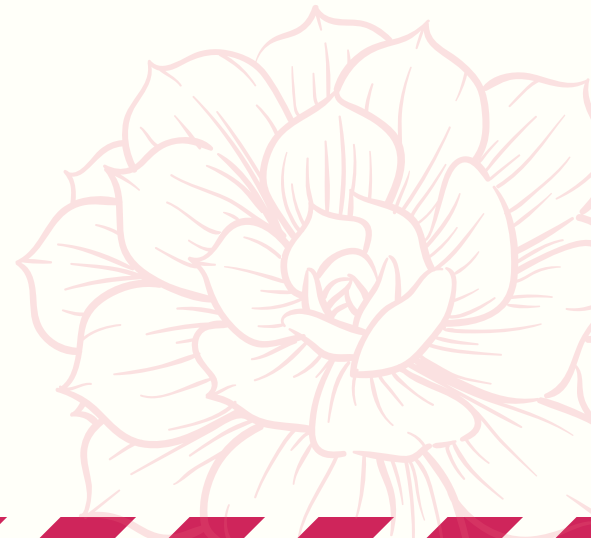

Be a smile for those who have no reason to smile,.

Be a light for those who live in darkness.

Show them what true love means.

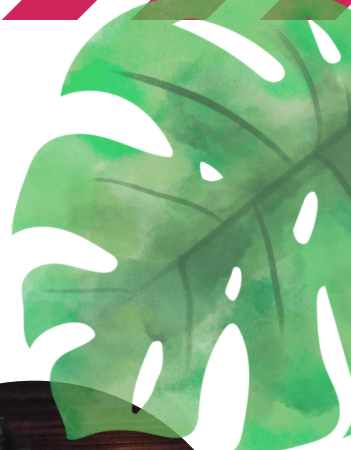

Thanks & Regards

Pushpa Gururaj

Dear District Chairman,

We are at the beginning of the 2021-2022 Inner Wheel Year and I have the pleasure to congratulate you on your election to the highest position in your District.

As Chief Executive Officer, you will preside at all meetings and supervise the work and activities of your District and I hope that you and all the members will work together in friendship and mutual respect.

This year's Theme is « Pink First »

Poverty, discrimination and violence are still strongly present in women's and girls' lives.

The United Nations Agenda 2020-2030 clearly states that gender equality and the empowerment of all women and girls are the catalyst for the achievement of Sustainable Development Goals.

There will be four areas of attention : 1) Health, 2) Education, 3) Opportunity 4) Empowerment.

Moreover Clubs will be required to increase their Club's Members by 10% with 2% of Members less than 40 years old.

I hope that you will ensure that all the members of your District Clubs achieve these targets and thank you in advance for your commitment.

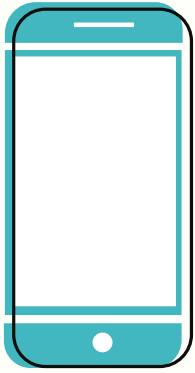

Best wishes.

In friendship

MESSAGE

Saroj Katiyar

Association President 2021-2022

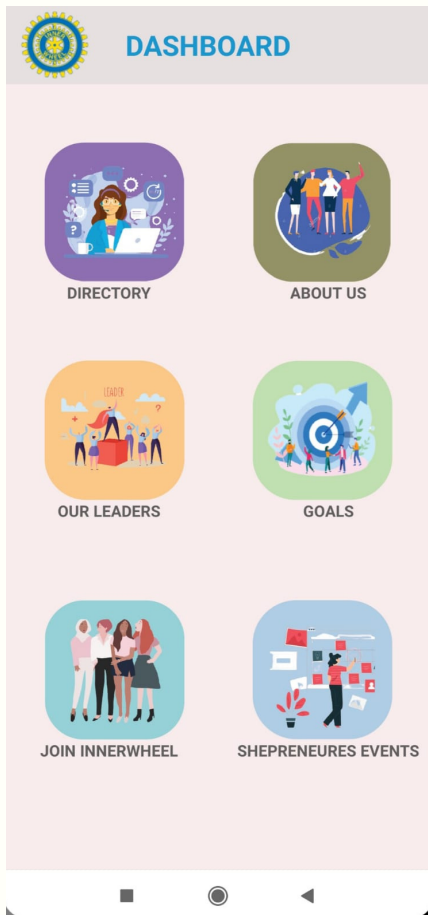

Dear Shepreneur,

Welcome Aboard!!! We have created this platform for you to upscale your business by networking, connecting and sharing information with your fellow women entrepreneurs.

The business landscape is changing and women like Kiran Majumdar Shaw, Indira Nooyi, Falguni Nayar have shown that women are equally efficient when it comes to running a business. The inherited qualities of women like aptitude for learning, towering integrity, ability to build relationships, superb sense of ownership and flair for lean methodology, higher adaptability and knack of human resource management business make women better entrepreneurs than men.

So, utilize this platform to the maximum and reap benefits for your venture. It's my dream that women from IIW mark their excellence in the business world too.

From the Editor Desk

Dear Members,

I hope you enjoyed reading the Chairman's First newsletter!

Since my joining the **Inner Wheel Club of Mysore**, Mrs. Pushpa has been a constant source of encouragement; has given me great opportunities to contribute, and moreover, a good friend. Hence it is both, a matter of pride and also an honor to have been given this opportunity to be the editor,

Despite the restrictions due to Covid-19, our chairman and her team have made great strides in enabling fellowship and service by appropriate use of technology.

Also, while preparing the newsletter, it was exciting to learn about the women entrepreneurs in our district. I am sure that they will motivate many youngsters like me.

You all can read about the memorable moments of Chairman's official club visits which I will be sharing in my next editions.

Good wishes for Chairman's official visits!!.
